Dear Friends of Bide Awhile,

On behalf of Bide Awhile Animal Shelter Society, we express heartfelt thanks to Darrell's Restaurants for the donation of the gift certificates we received for our Bowling for Critters event.

Bide Awhile Animal Shelter is a not-for-profit organization which has served the community in Halifax Regional Municipality for 45 years. We provide a humane shelter for lost and abandoned cats and dogs. As a "No-Kill" Shelter, we do not support unwarranted euthanasia. Therefore, every healthy animal is cared for until a suitable home is found.

Bide Awhile relies mainly on the support of our members and donors along with several fundraising events to fund the Shelter's operations. Your generous donation will help us to continue to make a difference in the lives of our feline and canine friends. We thank you.

Sincerely,

Darrold Gould
