Dear Mr. ^{Da} Joseph:

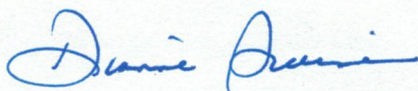

Thank you so much for raising 144 kgs of food and a wonderful total of \$7,610.01 through the 4th Annual Halifax Christmas Feed in partnership with the Armview Restaurant and the Palladium Family Restaurant. At this time of year, we are very fortunate to have so many members of the community come forward to support our organization, and we are only able to make a difference because of people like you.

During the month of December, we heard from many whose struggle to put food on the table was exacerbated by the pressures of the holiday season. For families who often don't have enough money to buy groceries, providing some of the things so many of us enjoy at Christmas is sadly out of the question. Fortunately, your donation helped alleviate some of this worry and stress. Because of your generosity, there was food in their cupboards.

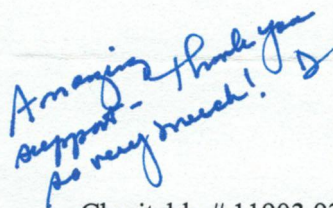

The words of one single mother who received support last year for her son and herself illustrate the impact of your donation best: *"Thank you so very much from the bottom of my heart. I was humbled by your kindness and generosity in making my family's Christmas which otherwise would not have been. It is people like you who make this world a better place, and I assure you if I were in the position to do so I would not hesitate to help someone else in their time of need."*

As you can see, your efforts mean so much. Thank you for supporting our organization and for helping our neighbours in need. We wish you the same comfort you've helped bring others this season.

Sincerely,
