Halifax, NS B3H 1P8

Dear Dan,

Thank you!! With your support we raised over \$120,000 (!!!) for families that are supported by Ronald McDonald House Atlantic Canada and its programs!

Every year we have been really lucky with the weather and even though we had early morning rain and lightning, the skies cleared and the sun came out, making for the perfect golf day. We are thrilled to let you know that this year we surpassed our highest net figure by over \$29,000! The bar has certainly been raised for next year's golf tournament.

We were honored to have Sierra, a cancer survivor, along with her mom, Brenda, bravely share their story. Sierra continues to fundraise and be an advocate for the House in her hometown of Bathurst. She made a pretty good point when she said, "If I can do all of this as a 10 year old, imagine what you can do as adults." When we called to tell her just how much you supported the House at the golf tournament and how successful it was, her response was "Wow! The crowd must have really liked my speech!" Of course, we know that she is right and hearing the excitement directly from her is a good reminder of how your support works.

We are able to continue to provide and grow the programs and services required for families like Sierra's because you care enough to support events like our golf tournament. Along with our Title Sponsor, McDonald's Maritime Owner/Operators, special thanks to all our corporate and community partners and friends who made a significant difference in our fundraising efforts.

Our eyes are already on next year's tournament, which we know will be bigger and better. The date has been confirmed for Thursday, September 11th, 2014 and we trust you will include our event as you prepare your 2014 budget.

Kind Regards,

Lisa Sampson
Golf Tournament Chair

Shauna MacLennan
Executive Director

Incredible support
Dan! Thanks so
much!

Have reviews about
the Darrell wraps!!
Thank you so much!
J
